The FY2023 General Operating Support Grant award amount is up to \$3500.

Eligibility and Evaluation:

Applicant organizations must conform to established eligibility criteria for funding consideration.

FY23 grant applicants are required to provide a minimum 1:1 cash match for all grant funds awarded. Sources of cash match can include cash in hand, federal grants, other non-state grants, and donations. Due to the COVID-19 pandemic and current economic climate, in FY23, volunteer hours can be included as a source up to 25% of the cash match.

- General merit of the organization
- Number of participants
- Audience size
- Community involvement
- Efforts to address the needs of under-served audiences
- Services not replicated elsewhere in the County
